Affiliate Opportunity: Ray Edwards' Copywriting Academy 2017 Launch

If you have a list of marketers, salespeople, business owners, or anyone looking to sell something, you need to read this. This spring, Ray Edwards is launching his absolutely amazing Copywriting Academy...and we'd love to have you join the launch.

Here's what you need to know about this awesome launch and 5 reasons YOU should join.

About the Course

Online Copywriting Course & Coaching Program, "The Copywriting Academy". This is the copywriting course Ray's readers, students, and JV Partners have been clamoring for. This is a complete (but concise) course on how to write copy that sells, without seeming "salesy". Both direct-to-camera and screen-capture tutorial video, also includes templates and worksheets.

This is our third JV Launch of this product. Our first JV Launch (October 2015) of this product was a smash hit...the second launch (March 2016) was even bigger...and in both our JV Partners had big paydays. Not only that, but STUDENTS love this course and are raving about it!

One of the greatest conversion-booster for this launch will be some KILLER video Case Studies, showcasing ordinary people getting extraordinary results with our coaching program. So while we hit a home run in October, this upcoming launch should perform even better!

"Ray Edwards is not only a master copywriter, **he is the best copywriting teacher I know.** Whether you are selling a product, a service, or a point-of-view, **Ray's program will give you the training you need to move your prospects to buy NOW."**

Amy Porterfield
Creator of ProfitLab

"Ray Edwards flat-out gets results. He has written many profitable pieces of copy for us, including our most profitable sales letter. That sales letter has **brought us over \$10,000,000 (million) in revenue...** Ray's copy remains the undisputed champion."

5 Reasons To Join This Launch

1. The Product is Proven

Simply put, you can be proud to support this launch. That is rule #1 of affiliate marketing.

Students get results. If you are in doubt, go listen to this interview with John Lee Dumas and Ray.

2. The Prizes are Super Cool

We are doing a lot of cool gadgets, prizes and experience prizes.

We aren't ready to announce this year's prizes, but rest assured, there will be tons of great prizes for Top 10 plus guaranteed sales prizes that all affiliates can win!

For last year's launch, the top 10 partners (plus a few others...so anyone can win this) won tickets to a 2-day mastermind with Ray and other top performers in beautiful Phoenix, Arizona. Check out these pictures from the mastermind:

As the launch gets closer we'll be announcing prizes to the affiliates that are signed up for the launch.

3. We're Running It

Alright, I know that sounds a bit self-serving, but I include so you'll know this launch will be run well.

4. The PLC (FREE) Content is Awesome

The best part is, regardless of whether or not they purchase a thing from Ray, they still get amazing content that will transform their businesses and life.

Ray is a teacher at heart and in the PLC content for this launch, he delivers MASSIVE value.

There will be 5 pieces of pre-launch content (3 videos with audio downloads and 2 ebooks) PLUS 4 webinars. The PLC content alone is worth the price of the course.

But, I promise, your audience will thank you whether they spend \$1997+ or \$0.

5. The Numbers are Legit

Here's a nerdy breakdown of the stats from the last launch:

Top affiliate EPC: \$24.78

Top affiliate optin rate: 78%

Overall optin rate: 41%

Overall EPC: \$6.36

Every single one of those numbers will be higher this time around. We've taken the lessons from the last launch and re-engineered everything.

The funnel converts and you'll make a great ROI on your clicks.

Bonus Reason

As you participate in this launch, you'll get better at copywriting...that's a great fringe benefit!
