

# AFFILIATE LAUNCHES MADE SIMPLE with Matt McWilliams

## Birthday Bundle Sale Ends Today!

Hey everyone, this is Mark Sieverkropp from Matt's team. Matt is out of the office for a few weeks and I hijacked his blog. You don't want to miss this sale, so check out the details below. [/guestpost]

Heads up! Today is the last day to get Matt's Surprise Birthday Bundle. I've put together four awesome resources, valued at more than \$200...but you get them for only \$37!

Today is Matt's birthday (Happy Birthday buddy!) and it's also the last day to get his Birthday Bundle that I'm surprising him with.

Here's what's inside the bundle:

- Matt's top 100 subject lines for affiliate promotions (normally \$47)
- Matt's top affiliate recruiting subject lines (normally \$47)
- An exclusive two-hour bootcamp with Matt. The first hour will be spent on copywriting. The second hour will be spent on affiliate recruiting. (Never offered before, but if we did, it would be \$97)
- A bonus so good, you'll have to click here to find out what it is.

That's \$191+ in one bundle...for only \$37.

When Matt gets back in the office, we're going to surprise him with the results. Talk about a "Happy Birthday!"

## **Frequently Asked Questions About the Bundle**

Some people had some questions, so I wanted to take a moment to answer the most common questions.

### **Q1: Is it really only \$37 one time?**

Yep. No hidden charges. In fact, we don't even have an upsell. This was a last minute idea to surprise Matt when he gets back.

### **Q2: Can I copy the affiliate recruiting emails and use them "as is?"**

You can, but we don't recommend it. It's totally up to you, but they'll work better as inspiration and as a guide rather than you just copying them. You don't want to be just like everyone else, do you?

### **Q3: Who will be teaching the bootcamp?**

Matt and I will be teaching it. Mostly Matt but I'm sure he'll ask my opinion on a few things...assuming I still work with him after these shenanigans haha.

### **Q4: Will this offer still be available in a few days?**

Nope. We're shutting it down tonight at midnight PT. That way all the sales show up before the end of the month and we get to surprise Matt next week.

### **Q5: When will the bootcamp be held?**

We're not sure yet. Since I'm surprising Matt with this, we'll have to schedule it when he gets back. It will likely be sometime in late July.

If you can't make it live, don't worry. All buyers will get lifetime access to the replay of the bootcamp.
